LJ COMPUTER APPLICATION

Master of Computer Application	Pursuing	Jun 2023 - May 2025
Bachelor of Computer Application	7.15CPA	Jun 2020 - May 2023

SHREE MUKTA JIVAN

Higher Secondary Certificate	53%	2020
Secondary School Certificate	58%	2018

PROJECTS

- **FlowSync (Spring Boot & React):** Ongoing: Working on a cash flow management system with secure authentication, real-time analytics, and transaction tracking for financial optimization.

- **CrypticWrites(Spring-Boot & React):** Created a blogging platform enabling users to create, edit, and manage blog posts with authentication, post categorization, and an intuitive interface.

- **LJ News (Flutter):** Developed a news app for college updates with features like user registration, real-time database integration, and content categorization for a better user experience.

- **Octopus (Android):** Built a notes app with a clean UI, supporting cloud synchronization, offline mode, and enhanced security for safe and accessible note management.
